GAVIN MEY CV

STUNT COORDINATOR / STUNTMAN / HORSE MASTER / TRAINER

The following productions and commercials cover a 28-year period, from 1977 (Ben Brandt), followed by Zulu Dawn in 1978, up to The Librarian 2, shot in 2005.

My stunt career began early 1977, doing Wild West and medieval jousting shows. This was primarily horse work, but after Zulu Dawn, I worked under several international stunt coordinators and learned other fields of stunt work.

I am experienced and proficient in high falls, fire stunts, cars, motorcycles, fight scenes and all aspects of horse stunt work.

I have joined forces with Michelle Mazurkiewicz, who runs Wine Valley Horse Trails and we hire trained horses and mules to the film and commercial industries.

We are based in Paarl, on Rhebokskloof Wine Farm, which is situated approximately 60km from Cape Town, South Africa.
